Co nie ma pary?

[illegible]

This is a vibrant, colorful illustration featuring various farm animals and nature elements in a playful, stylized manner. The scene includes two rabbits: one in the top right wearing a striped shirt and holding a carrot, and a larger one in the bottom left also holding a carrot. There are two chickens, one yellow and one red, and a small blue bird. A bee and two butterflies are also present. Nature elements include two smiling suns, several flowers (tulips, daisies, and a large yellow flower), a green watering can, and a basket of eggs. The background is white, and the overall style is whimsical and child-friendly.
